Date: September 3, 2019
Subject: Notification to Parents of Teacher Qualifications

Dear Parent or Guardian,

At the beginning of the school year, parents of students attending a campus receiving Title I funds must be notified that they may request information regarding professional qualifications of your child's classroom teachers.

The federal law requires the school district to provide you this information in a timely manner if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- teacher certificate and licensure for the grades and subject taught;
- college major or information regarding advanced degrees; and
- qualifications of teacher aides or similar paraprofessionals who provide services to a child.

If you would like to receive this information, you may contact the Cypress-Fairbanks ISD Human Resources Department at 281-897-4099.

Sincerely,

Martin Drayton

Principal
