

TUTORIALS

Students must have parent permission to stay for tutoring. Tutoring forms are available on-line for this purpose. Parents will note whether the student is to walk home, be picked up by parents, or ride the late bus home. Permission forms that are faxed (281-897-3850) must be accompanied by a **legible picture I.D.** from the parent or guardian by 12:00 (noon). Students may make arrangements for morning tutorials with a specific teacher. Tutorial slips are required to enter the instructional area before 7:05 a.m.
